**ORDER FOR FINAL CONSIDERATION OF BMS SETTLEMENT**

NOVEMBER \_\_, 2010

Saris, U.S.D.J.

This Court has heard from counsel during several hearings on the status of the Class 1, 2 and 3 aspects of the Settlement with Bristol Myers Squibb (“BMS”). This Court also received, on November 19, 2010, the sworn testimony of Cindy Weigel, an employee of Buccaneer, a Vangent Company (“Buccaneer”) the vendor working with CMS to produce data to effectuate notice to Class 1. A memorandum of understanding concerning a Class 1 settlement was first proposed in June of 2007. The participants must proceed with dispatch. This Court has jurisdiction over the parties, the parties’ counsel, the data vendor and the Claims Administrator. Accordingly, this Court ORDERS the following:

1. **Data Production.** This Court hereby orders that the Centers for Medicare and Medicaid Services (“CMS”) and its vendors, the Research Data Assistance Center (“RESDAC”) and Buccaneer, shall, no later than December 15, 2010, produce to the Claims Administrator electronic data sufficient to identify all transaction information for individuals for whom CMS reimbursed any of the specific drugs involved in the Settlements, as identified in a separate list of

356 J Codes or HCPCS. These HCPCS should be run against the Outpatient SAF, Carrier SAF and DME SAF files for all beneficiaries that had any one of the submitted HCPCS, outputting only the claims with the submitted HCPCS. These should also be run against the Vital Status file with names and addresses (alive and dead). The exact data to be provided is further identified in the letter from Buccaneer to Class Counsel dated November 1, 2010.

2. **Class Counsel To Assist.** This Court hereby orders that Class Counsel shall take all reasonable steps necessary to ensure that the necessary data is transferred to the Claims Administrator by December 15, 2010.

3. If the data mentioned above is not produced by December 15, 2010, the Court intends to hold a hearing to determine if CMS, RESDAC, Buccaneer and/or Class Counsel are in contempt of this Order.

4. **Further Schedule.** This Court hereby further orders Plaintiffs and Class Counsel, the Claims Administrator, and BMS and its counsel to exercise all reasonable efforts to complete the BMS Class 1 Settlement approval process on the following schedule:

December 31, 2010	Direct Mail Notice sent to Potential BMS Class 1 Members
January 31, 2011	Deadline for Class 1 Members to return Initial Notice Cards
February 14, 2011	Class Plaintiffs file Motion for Attorney Fees and Expenses

February 28, 2011	Deadline for Objections, Exclusions and Filing of Claims
March 7, 2011	Class Counsel Files Recommendations on Use of Any Excess Settlement Funds (the Court may thereafter issue, prior to the final approval hearing date, an order to show cause why a particular use of excess funds is not appropriate)
March 21, 2011	Class Plaintiffs File material In Support of Final Approval of Class 1 Settlement

5. **Final Approval Hearing.** The Final Approval Hearing for the BMS Class 1 Settlement will be held on March 28, 2011 at 2:00 P.M. in Courtroom 22. A postponement will only be granting sparingly, and only after (i) a showing of good cause measured by the protracted nature of these proceedings and (ii) with sufficient notice to the Court in advance of the hearing date.

6. **Status Reports.** Class Counsel shall file with the Court monthly status reports detailing the progress of the BMS Settlement. These reports shall include a statement about whether the deadlines in paragraph 4 of this Order have been complied with and whether there is a substantial chance that future deadlines will not be met. The first such report shall be filed on December 17, 2010. Subsequent reports shall be filed on the first day of each month.

7. **Service.** Class Counsel shall serve copies of this Order on the Claims Administrator, CMS, RESDAC and Buccaneer. Class Counsel shall thereafter promptly file with the Court a notice of completion of service.
